*Family Discount: DOES NOT apply when receiving campership funds. A discount of \$25 per child is available for families sending multiple children to half-week or week-long events. This discount applies to each child after the first. Example: A family is sending three children to camp. The cost is \$495 per child. The first child pays the full \$495. The second child receives a \$25 Family Discount, bringing the cost to \$470. The third child, attending half-week camp (\$230) also receives a \$25 discount, which brings the cost to \$205.

**Camperships: It is the position of the Board of Camp and Retreat Ministries that no camper shall be turned away due to lack of funds, so camperships are available. Funding is limited, so our expectation is that your local church/agency, personal funds, and conference support will combine to cover registration costs. To apply, first visit with your local pastor to see if the church has scholarships available. Then fill out the Campership Application form found at www.iaumc.org/camps to return to the Camp Registrar. Family Discount does not apply when receiving campership funds.
